

# Neptune News

June 5<sup>th</sup>, 2017

Dear Parents,

## End of the Year

We are into our last week of school. We have completed both Reading Street and GoMath. This week we will be doing a few projects as well our talent presentations. We will also be cleaning up the classroom and sending home supplies. This is the last newsletter. The Homework Envelope has come home for the last time. It does NOT need to be returned this time. The homework page this week is for writing summer goals. It is for your Neptunes use over the summer. There is no homework this week.

## Class Picnic

On June 6<sup>th</sup> the Neptunes will be walking to McCormick Park for a picnic lunch. We will leave Discovery at 12:00. We will eat lunch at the park when we get there. We will be going with Mrs. Lee and Mrs. Masinda's classes. After that we will play until 1:30, then walk back. A disposable cold lunch will be needed. If your Neptune will need a disposable school lunch please let me know. Families are welcome. Since the 6<sup>th</sup> is the last week of school, if we get rained out there will NOT be a make up day.

## Talent

Here at the end of the year I think it would be fun for each Neptune to share a special talent or interest. Participation will be encouraged, but voluntary. Neptune's could do a dramatic reading, sing a song, do a dance, share some art, etc. We will do presentations June 5<sup>th</sup> - 7<sup>th</sup> during our reading time. They can think of it as an extended Show-and-Tell.

## Library

All library books are due. We will **not** be checking out new books. Please return any library books asap. Overdue notices were sent home on Friday.

Sincerely,

Sean B. Ferguson
