

Star Neptune

These are the Star Neptune Bulletin board pages. The Star Neptune for the week is asked to complete these pages by drawing or gluing pictures to these pages. Your child is also encouraged to write a little description for each, but that is not necessary. See the example below. Friday afternoon your child will get to show and talk about each page and put them on the Star Neptune bulletin board. At the end of your child's turn to be Star Neptune these pages will be returned along with any pictures you may have volunteered. Thanks for your help.

Mr. Ferguson

My name is...

This is my family...
